GLASFIT GETS BEHIND THE INSPIRING CAN-A-KILO PROJECT

We've joined forces with actor Ivan Zimmermann on his extraordinary journey to raise funds for an important cause. To feed the needy, he is currently cycling 12 280 km from Beijing to Istanbul, between 15 May and 5 October 2016. The aim is simple. He's asking for donations – a can of food for every kilometre he cycles.

To support Ivan's inspiring mission, we've placed donation bins at Glasfit fitment centres nationwide. This gives our customers a chance to be a part of the project and make a real difference in the lives of those who need it most. You can join Can-A-Kilo by dropping a can, if you can.

Click on our fitment centre page to find a Glasfit near you or go to [Facebook.com/glasfit](https://www.facebook.com/glasfit) for regular updates.
