

## BLUECHEM NANO CAR GLASS CARE. SEE IT. BELIEVE IT.

05 Dec 2016

---

To improve your driving experience we've proudly added BlueChem Nano Car Glass Care to our product range. Not only does it improve visibility by 35% (in rain and at night), but it offers added protection against windscreen chips, and filters out blue light which causes driver fatigue.

### *HIGH QUALITY, LOW PRICE*

Drop into a Glasfit fitment centre near you and we'll apply BlueChem Nano Car Glass Care from as little as R900, inclusive of VAT. But that's not all. We'll also give you a FREE chip repair voucher, valid for one year. Standard terms and conditions apply.

This unmissable offer is available nationwide until 31 March 2017.

### *DON'T DELAY, SEE MORE TODAY!*

Make your booking via [www.glasfit.com](http://www.glasfit.com), through our call centre on 0860 123 423, or at your nearest Glasfit branch.
